The College of Haringey, Enfield and North East London

Health and Social Care: Principles of Infection Control or Preparing to Work in Adult Social Care - Level 2

This is an online learning courses with adviser support to help you gain a qualification in Health and Social Care (at Level 2, with potential to study further at Level 3) and progress into employment.

Anyone who is interested in a career in Health and Social Care, and is currently not employed or engaged in other forms of study. You must live within the Greater London area, and have the right to live and work in the UK.

The online study can be completed within around 4 weeks and you will continue to be supported by an adviser for help with your CV and job applications for up to a year.

WHAT WILL I STUDY?

One of:

1) Preparing to work in adult social care (level 2)

This qualification provides an ideal taster for those who may be new to the sector or new to the world of work. It is accessible to learners of all ages who may want to understand more about working in health and social care. It aims to introduce some basic concepts of caring and preparation for employment in the sector.

The qualification covers the areas of communication, equality, diversity and inclusion, personal development, role of the social care worker, handling information, health and safety, safeguarding, duty of care and person-centred approaches.

It is a must have for anyone taking the adult Intermediate Health and Social Care apprenticeship.

OR

Time: Flexible
Duration: 2-3 months
