British Sign Language - Level 1 Award

This is an accredited course in British Sign Language (BSL) and can be taken without any previous experience of BSL.

Achieving this qualification means that you will be able to communicate in BSL on a range of themes that involve simple, everyday language use.

WHAT WILL I STUDY?

You will gain basic skills and confidence in production and reception of BSL. At the end of the qualification, learners will be able to:

- Understand and use a limited range of simple words and sentences in BSL
- Take part in simple, everyday conversations in BSL
- Give and follow simple directions or instructions in BSL
- Give and follow simple familiar statements or descriptions in BSL

The qualification is divided into three units and additional study and practice outside of the classroom are essential to being able to successfully achieve the Award.
