Equality and Diversity - Level 2 Certificate (NCFE)

This qualification is suitable for both young and adult learners, including those in or seeking employment. It is also ideal for those who need to develop an awareness of issues surrounding equality and diversity, for example as part of an induction programme or personal development.

This qualification is useful for anyone who would like to develop their understanding of equality and diversity. Britain is a culturally diverse nation that respects and values the differences in people. Companies are legally required to follow a set of practices to ensure discrimination is eradicated and expectations of equality are met. A good understanding of the wide-ranging legislation is essential in creating a workplace that is centred on fairness, dignity and respect.

You can enrol on our FREE distance learning courses from the comfort of your own home, with all workbooks and assessments available online with the help of your tutor who will be assigned to support you throughout your training.
