# HTML and CSS - Intermediate

This course will teach you the fundamental elements of HTML 5 and CSS and provide you with the skills to create a professional website using My First Web Page.

You will develop skills in attributes, images and links, adding style with CSS, fixing and debugging, HTML 5 and CSS and the basics of page layout.

## WHAT WILL I STUDY?

You will learn the basic building blocks of web design and style using HTML 5 and CSS and develop skills on how to create a professional website with the latest web standards.

## WHAT WILL I NEED?

Please be prepared to provide your residency documents such as a passport, EU citizen ID card, UK Birth Certificate or Biometric Card. If you have been in the UK for less than 3 years or have entered the UK with a visa you will need to provide evidence that you are eligible to study in the UK - your visa, your biometric card that covers the duration of your course or any relevant home office documents to support your residency should all be provided. If you're an EU, EEA or Swiss citizen we will need to see evidence of 'Pre-Settled' or 'Settled-status' documents. Also for funding purposes we would need to see evidence of payslips if working (within the last 3 months). If you are receiving benefits (e.g JSA, ESA, Universal Credit (UC), Housing benefits etc. please provide evidence of this).

## WHAT CAN I DO AFTER?

Upon successful completion of the course you can progress into further study in this area.
