Career Insight into Puppetry - Creation and Handling by Practic Creations (Creative Skills Academy)

This Puppetry (creation and handling by Practic Creations) course is for anyone interested in puppetry, VFX artistry, animation or rigging.

Whether you are just starting out or have some experience in this specialised area, you will get all the insider knowledge to work in this specialist field.

Practic Creations

Practic Creations is an award-winning, dynamic, new company that specialise in creating creatures, puppets and special effects assets for film and television. They are passionate about bringing creative storytelling to life, whether through in-camera puppetry or through facilitating and supporting other special effect departments to reach their visionary goal in post-production.

Practic Creations have worked on a range of productions for industry players such as NetFlix, the BBC, Disney+ and AppleTV. Do not miss this opportunity to learn from this fantastic talented team.

WHAT WILL I STUDY?

You will learn:

- What a career in this field looks like
- Creation vs Handling
- Working in the field
- The role of puppetry for VFX artists, animators and riggers
- How and where to start work in this field
- You will also have the opportunity for a 1:1 - to ask any questions or for career advice or guidance

WHAT WILL I NEED?
