Film and Visual Effects (VFX) - Level 3 Extended Diploma (UAL)

This course will be delivered at the new Centre for Applied Technology in Soho, in the heart of London's Digital and Creative economy. This is an exciting new addition to Westminster Kingsway College, opening in September 2024.

Our bespoke building will provide unparalleled facilities tailored for the creators and innovators of tomorrow, enabling learners to hone their craft on industry-standard equipment and develop the skills that the industry desperately needs.

The centre boasts industry-leading equipment and state-of-the-art training spaces including

- Green Screen Studio
- Animation Studio
- Virtual Production Suite
- Edit, Grade, Dub and Voice-Over Studio
- Podcast Studio
- TV Studio and Control Room
- Lecture Theatre
- Comprehensively Equipped Alienware Animation Studios

The repurposed Soho Centre will act as a beacon for world-class Creative and Digital sector provision, providing a talent pipeline of qualified and experienced individuals to access the fantastic career opportunities in these sectors.

This course will provide you with an introduction to both the creative and technical aspects of digital media production, specialising in film and visual effects, allowing you to develop skills, knowledge and understanding to progress to further education and employment within the creative industries.

Our King's Cross Centre is fully equipped with the latest state-of-the-art facilities, including high-spec computer suites, sound studios, film and TV editing and recording studios and music rooms, replicating the workplace for your studies.

Extended Diplomas have two one-year programmes. You need to finish the first year before moving on to the second.
