

Applied Science - Pre-Access Level 2 Diploma

This practical, work-related course will develop your skills and knowledge, and the confidence to progress towards higher level study in the applied sciences. The course is part of the college's Access provision, and many learners progress to a Level 3 Access to HE programme on completion of the course.

You will develop the skills and knowledge needed to begin a career in science, covering biology, chemistry and physics, with an emphasis on the work of scientists and technicians.

WHAT WILL I STUDY?

Topics covered can include:

- Chemistry and our Earth
- Energy and our Universe
- Biology and our Environment
- Human Behaviour

WHAT WILL I NEED?

You will need:

- Four GCSEs at grade 3 or above, including English Language, Maths and Science or a Level 1 Diploma in Science, with Functional Skills in Maths and English at Level 1

All applicants must have an interview and assessment to confirm that the course is suitable for them.

HOW WILL I BE ASSESSED?

Assessment is continuous throughout the year and based on assignments and projects.
