

Biology - A Level (AQA)

Embark on an exhilarating journey into the world of life sciences with A Level Biology! Unveil the mysteries of existence as you delve into the captivating realms of energy, continuity, and the very essence of life itself. Discover the secrets encoded within DNA, unravel the intricate web of genetics, and venture into the microscopic universe of cells. Journey onward to explore the harmony of entire organisms within their ecosystems.

But that's not all – brace yourself for a riveting encounter with cutting-edge topics like epigenetics, stem cells, and the delicate balance of planetary boundaries. Our dynamic course isn't just about theory; it's about hands-on experience. Immerse yourself in a myriad of captivating practical activities, from microbiology marvels to genetic enigmas, from biochemistry wonders to ecological explorations. Your newfound practical prowess won't go unnoticed – you'll proudly earn an endorsed certificate, standing tall alongside your well-earned A Level qualification. Don't just study biology; live it, breathe it, and shape the future with it!

This course is available for international students, if you are applying as an international student please click [here](#).

WHAT WILL I STUDY?

Topics covered can include:

- How chemical elements are joined together to form biological compounds
- Cell structure and organisation
- Cell membranes and transport
- Biological reactions are regulated by enzymes
- Nucleic acids and their functions

WHAT WILL I NEED?

You will need to meet the minimum entry criteria, plus:

- Triple Science grade 6 in Biology or Double Science grades 6 and 6
- Maths grade 6. If you have a grade 5 in GCSE Maths you can still be accepted if you pass an entry maths test at enrolment and take a Maths for Biology class alongside Biology A Level.

HOW WILL I BE ASSESSED?

Start Date: 1 September 2025

Duration: 2 Years

Attendance: Full Time

Center: Angel Sixth Form College

<https://www.capitalccg.ac.uk/course/pdf/11390/>

Assessment is through examination at the end of two years.

WHAT WILL IT COST?

AGED 16-18

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

WHAT CAN I DO AFTER?

A Levels are widely regarded as the standard entry qualification for top universities in the UK, and the rest of the world. Many of our students go on to study for a degree at the university of their choice, with some choosing to progress into apprenticeships or other employment.

Start Date: 1 September 2025

Duration: 2 Years
