

Fine Art - A Level (Eduqas)

A Level Fine Art is a creative course that encourages you to develop your skills as a practising artist. You will be introduced to a variety of projects with the intention to build on your artistic skills and develop your use of materials. You will build a portfolio of work as a result of this before consolidating your learning within a personal investigative project and an externally set assignment. The course will also develop your critical understanding of contextual sources to support and develop your visual artwork.
