

Textiles and Fashion - A Level (Eduqas)

This practical design course in Fashion and Textiles takes a broad experimental approach to a range of textile practices including dye, print, digital, stitch and embellishment. Through a series of creative projects, you will learn how to develop ideas by engaging with drawing and research, how to create textiles samples and turn your ideas into final outcomes. Learning about artists, designers and textiles from diverse cultures will underpin your independent projects and trips to exhibitions will inspire your ideas.

This course is available for international students, if you are applying as an international student please click [here](#).
