

Accounting Software - Level 1 Award (AAT)

This course offers a specialist technical introduction to using accounting software, which can be particularly useful if you are self-employed or working in a small business and want to do your own bookkeeping. It can also offer you a route into employment, or help you to pursue further study with AAT.

WHAT WILL I STUDY?

Topics covered can include:

- Understanding the benefits and risks of using accounting software
- Setting up accounts
- Recording bank and cash transactions
- Producing reports using accounting software

WHAT WILL I NEED?

You do not need to have any previous qualifications.

All applicants must have an initial assessment and interview to confirm that the course is suitable for them.

HOW WILL I BE ASSESSED?

The qualification is assessed in one end-of-qualification assessment.

WHAT WILL IT COST?
