

# Engineering - Level 1 Diploma

This course will introduce you to the fundamental skills and practices required to start a career in the world of engineering, including basic engineering concepts, design and materials.

## WHAT WILL I STUDY?

Topics covered can include:

- Working safely in engineering
- Making engineering components using hand tools
- Wiring electrical circuits and components
- Routine servicing of an electrical/electronic system
- Assembling mechanical components

## WHAT WILL I NEED?

You will need:

- Three GCSEs including Maths at grade 2 or above or equivalent qualifications

All applicants must have an initial assessment and interview to confirm that the course is suitable for them.

## HOW WILL I BE ASSESSED?

You will be assessed through a portfolio of evidence, collected from written assessments, presentations, witness statements and practical observation.

## WHAT WILL IT COST?

AGED 16-18

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

**Start Date: 9 September 2025**

**Duration: 1 Year**

**Attendance: Full Time**

**Center: Enfield Centre**

<https://www.capitalccg.ac.uk/course/pdf/41780/>

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

## **WHAT CAN I DO AFTER?**

You will receive a Level 1 Diploma Skills for Engineering. Once successfully completed you can progress to the Level 2 Engineering course to improve your skills.

**Start Date: 9 September 2025**

**Duration: 1 Year**

**Attendance: Full Time**

**Center: Enfield Centre**
