

Adult Care Worker - Level 2 Intermediate Apprenticeship

The Adult Care Worker apprenticeship is a great opportunity for learners to develop their skills and knowledge to help adults with care and support needs to achieve their personal goals and live as independently and safely as possible, allowing them to have control and choice in their lives. Working in care makes a positive difference to someone's life when they are faced with physical, practical, social, emotional or intellectual challenges. Adult Care Workers work in residential or nursing homes, domiciliary care, day centres, a person's own home.

WHO IS IT FOR?

This course is for:

- New entrants to the healthcare sector depending on job role
- Individuals working in the Care sector

PROGRESSION

Apprentices who complete the Care Worker programme will aim to gain promotion to senior roles including Lead Adult Care Workers, Key Workers and Mental Health Outreach Workers.

EPA is 3 months in duration and will include a 60 question multiple choice exam, and a 45 minute professional discussion. Grades available are Pass, Merit and Distinction.

NEXT STEPS

Next step may include:

- Level 3 Lead Adult Care Worker apprenticeship programme
- Level 3 Team Leading apprenticeship programme

KEY EMPLOYERS

- Edenvale Care Limited,
- London Borough of Camden

FUTURE OPPORTUNITIES

Learners who complete the Adult Care Level 2 apprenticeship can look forward to a rewarding career in a growing sector. They will have the skills and knowledge to make a positive difference to someone's life when they are faced with physical, practical, social, emotional, or intellectual challenges. Adult Care workers have the right values and behaviours and skills to provide high quality compassionate care, in residential or nursing homes, domiciliary care, days centres, a person's own home or some clinical healthcare settings.

Duration: 13 Months
