# Hairdressing - Level 2 Diploma

This course will equip you with practical skills for a range of salon activities, from conducting client consultations to cutting and dressing hair. You will learn how different shampoos and conditioners affect the hair and scalp and will explore a variety of colouring and lightening products and techniques.

You will learn how to work in accordance with health and safety procedures to ensure the well-being of your clients, your colleagues, and yourself. As well as working in the college's own hairdressing salon, you will also have the opportunity to do a period of work experience. You will also work on improving your English and Maths skills.

## WHAT WILL I STUDY?

Topics covered can include:

- Promoting additional services or products to clients
