Music Performance and Production - Level 3 Extended Diploma

This course is for musicians who want to enter the music industry as performers, producers, singers/songwriters or those who want to get into a business role within the industry. You will study and develop skills in performance, production, composition, musicianship and music business, and will have the opportunity to record in our state-of-the-art recording studios.

This hands-on course is both practical and theoretical, focusing on vocational projects to develop your performance, composition and production skills, as well as your understanding of the music industry and the job roles within it.

We have industry-standard rehearsal and technical facilities to help prepare you for ensemble performance and music production.

Extended Diplomas have two one-year programmes. You need to finish the first year before moving on to the second.

WHAT WILL I STUDY?

This course consists of two separate qualifications. In your first year of study, you will work towards the Level 3 90-Credit Diploma. Following successful completion of this qualification, you will be able to progress to the Extended Diploma. Our Extended Diplomas offer equivalent UCAS points to studying 3 A Levels.

Topics covered can include:

- Live Music Performance
- Composition and Songwriting
- Music Production and Technology
- Job Roles and The Music Industry
- Live Events and Stage Management
- Marketing and Promotion
- Professional Development
- Musicology
