

Geography - A Level (Edexcel)

A Level Geography expands your knowledge and understanding of the world around you, exploring topics such as globalisation, tectonic hazards and processes, and an examination of how coastal areas could be sustainably managed particularly with the challenges of climate change and rising sea levels. You will also undertake a residential fieldwork trip designed to provide you with the skills to complete your coursework.

Linking with physical geography, you will study how superpowers have changed over time and how health, human rights and intervention are explored. You will also gain an understanding of the water and carbon cycles and the links to water conflicts and energy security.

This course is available for international students, if you are applying as an international student please click [here](#).

WHAT WILL I STUDY?

Topics covered can include:

- Tectonic processes and hazards
- Landscape systems, processes and change
- Globalisation
- Shaping places
- Water cycle and water insecurity
- Carbon cycle and energy security

WHAT WILL I NEED?

You will need:

- Grade 5 or above in GCSE Maths
- Grade 5 or above, and at least one grade 6 or above, in GCSE English Language plus one other written subject, such as History, Geography, Humanities, English Literature, Business, Media Studies, Religious Studies, Drama and Film Studies
- Two further GCSEs at grade 4 or above

If you wish to study 4 A Levels, you will need 7 GCSEs at grade 7 or above, including two at grade 8.

All applicants must have an interview to confirm that A Levels are suitable for them.

Start Date: 2 September 2024

Duration: 2 Years

Attendance: Full Time

Location: Angel Sixth Form College

When applying for an A Level programme at City and Islington, please refer to the general entry requirements on our [A Level Courses](#) page as well as the subject-specific details listed above.

HOW WILL I BE ASSESSED?

Assessment is 20% coursework, based on fieldwork research, and 80% examinations, with three exams at the end of the course.

WHAT WILL IT COST?

SCHOOL LEAVERS

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

WHAT CAN I DO AFTER?

A Levels are widely regarded as the standard entry qualification for top universities in the UK, and the rest of the world. Many of our students go on to study for a degree at the university of their choice, with some choosing to progress into apprenticeships or other employment.
