# Laser Tattoo Removal - Level 5 Certificate

This qualification ensures learners develop their knowledge and understanding of relevant anatomy and physiology and health and safety pertaining to level 5 non-medical aesthetic therapies. They will also develop the knowledge, understanding and skills to consult with and analyse clients whilst providing laser tattoo removal treatments.

In parallel, learners will develop their communication and customer service skills and widen their knowledge of the principles and practices of non-medical aesthetic therapies, all of which are valued highly by employers.
