Applied Science (Forensics) - Level 2

This is an exciting opportunity to get an introduction to the principles of science and forensic examination. You'll study the environment, energy, human behaviour, the universe, and the principles of forensic crime scene investigation whilst conducting practical work in professional laboratories.

Everything you learn will help you formulate your own hypotheses and investigations – strengthening your theoretical and critical thinking skills. You'll also have the opportunity to carry out multiple experiments, including rates of reactions, chemical analysis, and forensic crime scene investigations in our specialist crime scene suite and DNA laboratory.

WHAT WILL I STUDY?

You will study a range of units across science and forensic investigation.

Some of the units you will study:

- Principles of Science
- Chemistry and our Earth
- Applications of Physical Science
- The Living Body
- Investigating a Crime Scene
- Understanding Human Behaviour

WHAT WILL I NEED?

You will need:

- To be aged 16 to 18
- Four GCSEs at grade 3 or above, including English Language, Maths and Science or a Level 1 Diploma in Science, with Functional Skills in Maths and English at Level 1

All applicants must have an interview and assessment to confirm that the course is suitable for them.

HOW WILL I BE ASSESSED?

Start Date: 2 September 2024

Duration: 1 Year

Attendance: Full Time

Location: Angel (K Block)

<https://www.capitalccg.ac.uk/candi/course/course-detail/pdf/31410/>

Capital City
College Group

www.capitalccg.ac.uk

You will be assessed by a range of methods, including written assessments, presentations to your peers, group work and practical assessments. All assessments attract a pass, merit or distinction grade.

There are also 2 externally assessed units which are exam based. These are:

- Unit 1 Principles of Science
- Unit 8 Scientific Skills

WHAT WILL IT COST?

AGED 16-18

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

WHAT CAN I DO AFTER?

Once you have completed your course and successfully completed all of your assignments, you could progress to employment, an apprenticeship or one of our level 3 courses which lead to higher education.

You could progress to one of our own courses:

- T Level in Science
- Level 3 Forensic Crime Scene Investigation
- Level 3 Uniformed Protective Services
- Level 3 Applied Science

Start Date: 2 September 2024

Duration: 1 Year

Attendance: Full Time

Location: Angel (K Block)
