Creative Media (Vocational Studies) - Level 1 Diploma

This course will give you an introduction to digital media production, equipping you with basic creative skills in areas such as video editing and animation. In addition to beginner media skills, you will learn about the media industry and develop employability skills such as working independently, teamwork and working to deadlines, creating a portfolio of work. You will also take part in live online events and gain confidence and independence in your work.

Your lessons will take place in our industry-standard suites, equipped with Adobe Creative Cloud on Apple iMacs, as well as giving you access to state-of-the-art cameras, tripods, green screen facilities and more.
