

Engineering - Level 2 NVQ Diploma in Performing Engineering Operations

This course is for learners who have some knowledge and basic skills in production or maintenance engineering to enable them to progress safely into the workplace/employment or who want to increase their skills and progress onto Level 3 Engineering. It allows you to learn, develop and apply the skills required for employment and/or career progression in the engineering sector.

WHAT WILL I STUDY?

The topics covered are:

- Unit 201 - Working safely in an engineering environment
- Unit 202 - Carrying out engineering activities efficiently and effectively
- Unit 203 - Using and communicating technical information
- Unit 205 - Producing components using hand fitting techniques
- Unit 211 - Preparing and using lathes for turning operations
- Unit 236 - Assembling and testing electronic circuits

WHAT WILL I NEED?

You will need:

- Three GCSEs at grade 3 or above or an equivalent Level 1 Engineering qualification with Functional Skills at level 1 in Maths and English.

All applicants must have an initial assessment and interview to confirm that the course is suitable for them.

HOW WILL I BE ASSESSED?

You will be assessed through a portfolio of evidence, collected from written assessments, presentations, witness statements, practice observations, and practical tasks.

Start Date: 2 September 2024

Duration: 1 Year

Attendance: Full Time

Location: Tottenham Centre

WHAT WILL IT COST?

SCHOOL LEAVERS

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

ADULTS - ENTRY LEVEL, LEVEL 1 AND LEVEL 2

If you will be aged 19+ on 31st August prior to the start date of your course, up to Level 2, then your study with us will be free. You must have lived for 3 years within the EU/EEA/UK prior to the start of your course, you must have lived in the UK before 1st January 2021 and you must have permission to live in the UK for at least 12 months from the first day of learning. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

WHAT CAN I DO AFTER?

Upon successfully completing this course, you are able to progress to Level 3 Engineering (apprenticeship route) or Level 3 National Foundation in Engineering (university route).

Start Date: 2 September 2024

Duration: 1 Year

Attendance: Full Time

Location: Tottenham Centre
