

# Engineering - Level 1 Diploma

This qualification enables you to develop the knowledge, understanding and skills to progress to further learning or training qualifications in Engineering at a higher level. They also provide you with the opportunity to develop wider personal and employability skills with optional units in personal, learning and thinking skills and employability.

## WHAT WILL I STUDY?

The topics covered are:

- Planning and Making a Machined Product
- Communication skills for work
- Making Engineering Components Using Hand Tools
- Carrying Out an Engineering Project
- Using Mathematics and Science in Engineering
- Routine Servicing of an Electrical/Electronic System
- Wiring Electrical Circuits and Components
- Electronic Assembly
- Using a Bench/Pedestal Drilling Machine
- Working in Engineering
- Working Safely in Engineering

## WHAT WILL I NEED?

You will need:

- At least Entry 3 in both Maths and English. You are able to take an English and Maths assessment at our centres during the interview stage to determine your level.

All applicants must have an initial assessment and interview to confirm that the course is suitable for them.

## HOW WILL I BE ASSESSED?

**Start Date:** 2 September 2024

**Duration:** 1 Year

**Attendance:** Full Time

**Location:** Tottenham Centre

You will be assessed through a portfolio of evidence, collected from written assessments, presentations, witness statements and practical observation.

## WHAT WILL IT COST?

### SCHOOL LEAVERS

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

### ADULTS - ENTRY LEVEL, LEVEL 1 AND LEVEL 2

If you will be aged 19+ on 31st August prior to the start date of your course, up to Level 2, then your study with us will be free. You must have lived for 3 years within the EU/EEA/UK prior to the start of your course, you must have lived in the UK before 1st January 2021 and you must have permission to live in the UK for at least 12 months from the first day of learning. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

## WHAT CAN I DO AFTER?

Once you successfully complete your course, you will receive a Gateway Level 1 Diploma in Engineering and progress to Level 2 Diploma in Engineering to further improve your knowledge and skills.

**Start Date:** 2 September 2024

**Duration:** 1 Year

**Attendance:** Full Time

**Location:** Tottenham Centre
