

# Engineering - Level 2 NVQ Diploma in Performing Engineering Operations

This course equips you with the skills and experience to progress in engineering, mixing practical work with underpinning theory to develop your understanding of the engineering environment. You will gain a broad level of understanding in performing engineering operations, and be able to progress your skills with further study.

## WHAT WILL I STUDY?

Topics covered can include:

- Unit 201: Working safely in an engineering environment
- Unit 202: Carrying out engineering activities efficiently and effectively
- Unit 203: Using and communicating technical information
- Unit 205: Producing components using hand fitting techniques
- Unit 211: Preparing and using lathes for turning operations
- Unit 234: Forming and assembling electrical cable enclosure and support systems

## WHAT WILL I NEED?

You will need:

- Three GCSEs at grade 4 (above c grades) or above or equivalent functional skills level 1 qualification in Maths and English

There are options to obtain functional skills grades during your study program.

All applicants must have an initial assessment and interview to confirm that the course is suitable for them.

## HOW WILL I BE ASSESSED?

**Start Date:** 12 September 2024

**Duration:** 1 Year

**Attendance:** Full Time

**Location:** Enfield Centre

You will be assessed through a portfolio of evidence, collected from written assessments, presentations, witness statements, practice observations, and practical tasks.

## WHAT WILL IT COST?

### SCHOOL LEAVERS

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

## WHAT CAN I DO AFTER?

If you are successful in completing your level 2 program, you can progress onto a level 3 program. There is also the opportunity of progression to apply for an engineering apprenticeship scheme.

**Start Date:** 12 September 2024

**Duration:** 1 Year

**Attendance:** Full Time

**Location:** Enfield Centre
