# Plumbing - Level 1 Diploma

This course offers the City and Guilds 7202 qualification, and will allow you to gain an introduction to plumbing, giving you the basic fundamental practical skills and knowledge required by someone aspiring to be a plumber. It covers all the essential basic skills and knowledge you'll need to start working as a plumber, or engineer specialising in heating or ventilation. The course consists of practical and theory assignments and training to give you a good foundation from which to begin work or continue studying.

## WHAT WILL I STUDY?

Topics covered can include:

- Installation, repair and maintenance of plumbing systems
- Above ground drainage
- Copper pipework
- Plastic pressure pipework
- Low carbon steel pipework
- Plumbing science
- Structure of the construction industry
- Environmental sustainability measures in domestic dwellings
- Site preparation in the construction industry

## WHAT WILL I NEED?

You do not need to have any previous qualifications.

All applicants must have an initial assessment and interview to confirm that the course is suitable for them.

## HOW WILL I BE ASSESSED?

You will be assessed on your completed practical tasks, against industry standards. Written assessment will include multiple choice questions, paper-based exams and written assignments.

**Start Date:** 2 September 2024
