

Mathematics - GCSE

A grade 4 or higher in GCSE Mathematics is a requirement for many higher education courses and careers, including those in science, teaching and nursing.

Throughout the course, you will be equipped with a solid understanding of fundamental mathematical concepts and principles including numbers, algebra, geometry, measures, statistics and probability.

The GCSE is graded using the linear 9-1 system, with examinations in June.

WHAT WILL I STUDY?

The topics covered are:

- Number
- Algebra
- Ration, proportion and rates of change
- Geometry and measures
- Probability
- Statistics

WHAT WILL I NEED?

There are two pathways available for this qualification - Foundation Level and Higher Level.

For the Foundation Level, you will need:

- GCSE Mathematics at grade 2

For the Higher Level, you will need:

- GCSE Mathematics at grade 3

Start Date: 2 September 2024

Duration: 1 Year

Attendance: Part Time

Center: Tottenham Centre

All applicants must have an assessment and interview to confirm that the course is suitable for them.

HOW WILL I BE ASSESSED?

The course is assessed by two written exams, each worth 50% of the final marks - you may use a calculator for one of the exams.

WHAT WILL IT COST?

AGED 16-18

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

WHAT CAN I DO AFTER?

GCSE Mathematics is necessary for all students wanting to enter higher education. It is also a qualification asked by employers.

Start Date: 2 September 2024

Duration: 1 Year

Attendance: Part Time

Center: Tottenham Centre
