

# GCSE Mathematics

A grade 4 or higher in GCSE Mathematics is a requirement for many higher education courses and careers, including those in science, teaching and nursing. Over the duration of the course, you will be equipped with a solid understanding of fundamental mathematical concepts and principles including number, algebra, geometry, measures, statistics and probability.

The GCSE is graded using the linear 9-1 system, with examinations in June.

## WHAT WILL I STUDY?

The content has been organised into broad topic areas and you will learn the following:

Number

Statistics

Ratio, proportion and rates of change

Geometry and measures

Probability

Algebra

## WHAT WILL I NEED?

There are two pathways available for this qualification - Foundation Level and Higher Level.

For the Foundation Level, you will need:

- GCSE Mathematics at grade 2

**Start Date:** 2 September 2024

**Duration:** 1 Year

**Attendance:** Part Time

**Location:** Enfield Centre

For the Higher Level, you will need:

- GCSE Mathematics at grade 3

All applicants must have an assessment and interview to confirm that the course is suitable for them.

## HOW WILL I BE ASSESSED?

The course is assessed by two written exams, each worth 50% of the final marks - you may use a calculator for one of the exams.

## WHAT WILL IT COST?

### SCHOOL LEAVERS

If you will be aged 16, 17 or 18 on 31st August prior to the start date of your course and you have the legal right to remain in the UK for the duration of your programme then your study with us will be free. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

### ADULTS - ENTRY LEVEL, LEVEL 1 AND LEVEL 2

If you will be aged 19+ on 31st August prior to the start date of your course, up to Level 2, then your study with us will be free. You must have lived for 3 years within the EU/EEA/UK prior to the start of your course, you must have lived in the UK before 1st January 2021 and you must have permission to live in the UK for at least 12 months from the first day of learning. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

## WHAT CAN I DO AFTER?

GCSE Mathematics is necessary for all students wanting to enter higher education. It is also a qualification asked for employers.

**Start Date:** 2 September 2024

**Duration:** 1 Year

**Attendance:** Part Time

**Location:** Enfield Centre
