Rail Engineering Track Maintenance PTS - Level 2 NVQ Certificate

Are you interested in a career in rail engineering? This course comes with a guaranteed job after successful completion and will give you the knowledge and skills you need to work on rail tracks safely and effectively. Learn about track layout, health and safety, manual handling techniques, how to carry out a track inspection, and how to maintain the track itself. Successful candidates will be offered employment in the rail industry.

WHAT WILL I STUDY?

This course includes the following knowledge and skills areas:

- Personal track safety
- DC conductor rails
- Track induction
- Railtrack practical experience
- Health and Safety
- First aid
- Rail plant and tool training

WHAT WILL I NEED?

You must be interested in a career in rail engineering, and be motivated and eager to learn. You must be aged 19 and above, and be able to attend college 5 days a week (Monday-Friday) for 8 weeks.

You must also meet the eligibility for residency:

- Be able to provide a British or Irish Passport with three years' residency in the EU/EEA

or

Start Date: 9 September 2024

Duration: 1 Year

Attendance: Part Time

Location: Enfield Centre

Capital City
College Group

www.capitalccg.ac.uk

- Have a European Union Settlement Scheme residence (EUSS) with three years' residency in the EU/EEA and UK and have lived in the UK prior to 31 December 2020

or

- Have a biometric residence card permitting study in the UK along with having lived in the UK for at least the last three years,

and

- Be able to provide current proof of JSA, IS, UC, or ESA or proof of salary.

All learners will undergo a drug and alcohol test on the first week of the course.

HOW WILL I BE ASSESSED?

Assessment will be based on the activities you do on the track itself, and exams for first aid, personal track safety, and track induction.

WHAT WILL IT COST?

ADULTS - ENTRY LEVEL, LEVEL 1 AND LEVEL 2

If you will be aged 19+ on 31st August prior to the start date of your course, up to Level 2, then your study with us will be free. You must have lived for 3 years within the EU/EEA/UK prior to the start of your course, you must have lived in the UK before 1st January 2021 and you must have permission to live in the UK for at least 12 months from the first day of learning. Please see [here](#) for the documents you will need to show us.

Some courses will have other associated costs, such as for specialist materials and trips. Many of our students are eligible for financial support, see [here](#) for details.

You might have to cover the cost for the PPE, which is for safety boots, hi-vis jacket and trousers which will be an investment as you will need these items when you start working

WHAT CAN I DO AFTER?

This course is a fast-track route into employment, and if you complete the course successfully, you will be offered employment in the rail sector.

Start Date: 9 September 2024

Duration: 1 Year

Attendance: Part Time

Location: Enfield Centre
