Bricklaying - Level 2 Diploma

This qualification is designed for individuals who are currently working or aspiring to work as Bricklayers in the Construction industry. The course aims to provide the necessary skills, knowledge, and practical experience required to excel in bricklaying and related tasks within the construction sector.

WHAT WILL I STUDY?

This qualification allows candidates to learn, develop, and practice the skills required for employment and/or career progression in Bricklaying. The course covers a range of essential skills and techniques necessary for a successful career in the construction industry including:

- Interpreting Working Drawings
- Producing Thin Joint Masonry and Masonry Cladding
- Building Solid Walling, Isolated, and Attached Piers
- Constructing Cavity Walling

WHAT WILL I NEED?

You do not need to have any previous qualifications. All applicants must have an initial assessment and interview to confirm that the course is suitable for them.

HOW WILL I BE ASSESSED?

To achieve the Level 2 Diploma in Bricklaying (6705-23), learners must achieve 49 credits from the mandatory units. Additional credits may be achieved from the elective unit but will not count towards the qualification.

Your assessments will be conducted in both workshop and classroom environments. You will be required to demonstrate basic skills development in brickwork and bricklaying, showcasing your practical abilities in these areas. The assessment process will be a blend of online and paper-based evaluations, ensuring a comprehensive review of your theoretical knowledge and practical skills.

WHAT WILL IT COST?
