

Teaching English: Grammar Awareness

If you've always wanted to teach English as a foreign or second language, or if you're considering applying for a CELTA course but feel the need to refresh your knowledge of grammar and terminology, this course is perfect for you!

WHAT WILL I STUDY?

You will review the tenses in English, their structure and usage. You will be able to recognise them and name them, as well as identify the common problems learners of English might have.

WHAT WILL I NEED?

Please be prepared to provide your residency documents such as a passport, EU citizen ID card, UK Birth Certificate or Biometric Card. If you have been in the UK for less than 3 years or have entered the UK with a visa you will need to provide evidence that you are eligible to study in the UK - your visa, your biometric card that covers the duration of your course or any relevant home office documents to support your residency should all be provided.

WHAT CAN I DO AFTER?

Once you have completed the course, you will have the opportunity to discuss with the course tutor the most appropriate progression routes onto further teacher training courses.
