

Data Analysis and Design - Introduction

This course on Introduction to Data Analysis and Design provides a foundational understanding of data analysis techniques and design principles, equipping participants with essential skills to interpret and present data effectively.

You will learn how to collect and clean data, apply basic statistical methods, and create impactful data visualisations and reports.

The course covers practical aspects of data analysis, including designing clear and engaging presentations, and includes hands-on projects to apply these skills in real-world scenarios.

This course is suitable for beginners and professionals alike and requires no prior experience making it accessible to those with a basic IT background.

WHAT WILL I STUDY?

You will learn:

- How to collect and clean data
- How to apply basic statistical methods
- Create impactful data visualisations and reports
- Practical aspects of data analysis, including designing clear and engaging presentations

This course also includes hands-on projects to apply these skills in real-world scenarios.

WHAT WILL I NEED?

Please be prepared to provide your residency documents such as a passport, EU citizen ID card, UK Birth Certificate or Biometric Card. If you have been in the UK for less than 3 years or have entered the UK with a visa you will need to provide evidence that you are eligible to study in the UK - your visa, your biometric card that covers the duration of your course or any relevant home office documents to support your residency should all be provided. If you're an EU, EEA or Swiss citizen we will need to see evidence of 'Pre-Settled' or 'Settled-status' documents. Also for funding purposes we would need to see evidence of payslips if working (within the last 3 months). If you are receiving benefits (e.g JSA, ESA, Universal Credit (UC), Housing benefits etc. please provide evidence of this).

Start Date: 06 February 2025

Day: Thursday

Time: 17:30 - 20:30

Duration: 16 Weeks

Venue: Tottenham

WHAT CAN I DO AFTER?

On completion of this course, you can progress onto further study in this area.

Start Date: 06 February 2025

Day: Thursday

Time: 17:30 - 20:30

Duration: 16 Weeks

Venue: Tottenham
