

Web Design - Introduction

You will learn the basics of web design and page layout to produce a professional-looking site for your own purpose. Bring along your ideas and clear objective about what you would like to achieve.

By the end of this course, you will be able to demonstrate a clear understanding of website design and techniques. You will be able to manage your own basic site and organise your files, images, and updates to keep your website current and relevant for your chosen market.

WHAT WILL I NEED?

Please be prepared to provide your residency documents such as a passport, EU citizen ID card, UK Birth Certificate or Biometric Card. If you have been in the UK for less than 3 years or have entered the UK with a visa you will need to provide evidence that you are eligible to study in the UK - your visa, your biometric card that covers the duration of your course or any relevant home office documents to support your residency should all be provided. If you're an EU, EEA or Swiss citizen we will need to see evidence of 'Pre-Settled' or 'Settled-status' documents. Also for funding purposes we would need to see evidence of payslips if working (within the last 3 months). If you are receiving benefits (e.g JSA, ESA, Universal Credit (UC), Housing benefits etc. please provide evidence of this).

WHAT CAN I DO AFTER?

Upon successful completion of the course you can progress into further study in this area.
