

Working at Heights (IRATA Ropes) - Introduction - Skills Bootcamp for Londoners

Our Skills Bootcamp for Londoners is our flagship programme to help people learn the skills needed to start a career in the green energy sector.

Your training will focus on the much sought-after IRATA Ropes (teaching you to work safely at heights) which can open up a variety of career options, in addition to keeping you and your colleagues safe, working with hazardous energy, safety training and employability support.

WHAT WILL I STUDY?

Modules can include:

- GWO Working at Height course
- GWO Advanced Rescue Training IRATA Rope Access
- GWO Basic Technical Training
- GWO Fire Awareness
- GWO Control of Hazardous Energies
- GWO Enhanced First Aid Employability Skills and Support

WHAT WILL I NEED?

This course is open to all London residents; regardless of your employment status. It is designed to help people gain more productive work, so all we ask is that you are able to commit to a month of training.

HOW WILL I BE ASSESSED?

The course is assessed via practical exams and your work portfolio.

WHAT CAN I DO AFTER?

Day: All

Time: 09:00 - 17:00

Duration: 4 Weeks

Venue: Enfield

As part of this course, you will be offered an interview with a good work employer. From there you can progress into work or further training where needed.

Day: All

Time: 09:00 - 17:00

Duration: 4 Weeks

Venue: Enfield
