

HTML and CSS Coding - Intermediate

This intermediate course will deepen your understanding of HTML5 and CSS, building on foundational elements to enhance your web development skills.

WHAT WILL I STUDY?

You'll refine your abilities in using attributes, incorporating images and links, and applying advanced CSS styling.

The course will also focus on troubleshooting and debugging techniques, delve into more complex HTML5 and CSS features, and explore advanced page layout strategies.

WHAT CAN I DO AFTER?

By the end of the course, you'll be adept at creating sophisticated, professional websites that adhere to the latest web standards.

Start Date: 25 February 2025

Day: Tuesday

Time: 10:00 - 14:30

Duration: 6 weeks

Venue: Tottenham
