

Understanding Behaviour That Challenges - Level 2 Certificate (NCFE)

This qualification is designed to increase awareness and understanding of behaviour that challenges and its effects. By completing the qualification, you will develop in-depth knowledge of behaviour that challenges which could support progression onto other appropriate qualifications and into relevant employment in the health and social care sector.

Understanding behaviour that challenges could be useful to individuals working in education settings. Challenging behaviour is causing increasing concern today, as many individuals have increased levels of stress and uncertainty in their lives. This behaviour can be due to factors such as anxiety, neglect, abuse, learning disabilities and conditions like dementia. Understanding the causes of challenging behaviour is the first step towards finding ways to support individuals and manage their behaviour.

You can enrol on our FREE distance learning courses from the comfort of your own home, with all workbooks and assessments available online with the help of your tutor who will be assigned to support you throughout your training.
