

Working With Individuals With Learning Disabilities - Level 2 Certificate

This qualification aims to give you the knowledge and understanding to work with individuals with learning disabilities or difficulties. You will explore the principles of safeguarding and positive risk-taking and gain awareness of the autistic spectrum.

This qualification is designed for those with an interest in, or who are already working with, people with learning disabilities in a variety of roles.

You can enrol on our FREE distance learning courses from the comfort of your own home, with all workbooks and assessments available online with the help of your tutor who will be assigned to support you throughout your training. All you'll need is a computer (laptop or PC, Windows, or Mac), tablet and access to the internet.

Awarding body: NCFE/CACHE

Duration of course: 2-3 Months

Guided learning hours: 143

WHAT WILL I STUDY?

To be awarded the Level 2 Certificate in the Principles of Working with Individuals with Learning Disabilities, learners are required to successfully complete 6 mandatory units:

- Unit 01 – Understand the context of supporting individuals with learning disabilities
- Unit 02 – Principles of safeguarding and protection in health and social care
- Unit 03 – Introduction to personalisation in social care
- Unit 04 – Principles of positive risk-taking for individuals with disabilities
- Unit 05 – Introductory awareness of autistic spectrum conditions
- Unit 06 – Principles of supporting individuals with a learning disability to access healthcare
