Health and Social Care - Level 3 National Extended Diploma

This course is a follow-up from the National Foundation Diploma Year 1. Once completing the Extended Diploma you will gain 3 A Level equivalent and receive three grades at Pass, Merit, Distinction or Distinction*.

This course is modular, recording the skills you achieve as you progress. The course has a mixture of examined units, coursework units and work placement.

Extended Diplomas have two one-year programmes. You need to finish the first year before moving on to the second.

WHAT WILL I STUDY?

You will study a variety of units about working within the Health and Social Care sector, working with children and vulnerable adults. There will be two examined units, Anatomy & Physiology and Research Methods.

In addition, you will undertake coursework units such as:

- Promoting Public Health
- Sociological Perspectives
- Understanding Mental Wellbeing
- Supporting Children and Adults with Additional Needs

The variety of topics enables you to gain a real insight into the profession you would like to progress onto after the qualification. The content of the course gives you a holistic oversight of various roles and sectors within Health and Social Care, how they operate and their importance. In addition, you will learn how to care for individuals with varied needs and abilities.

As part of the course, you will be required to undertake a work placement within a health or social care setting. These settings could be; care homes, nursing homes, hospitals, mental health charities and probation services.

WHAT WILL I NEED?

Merit or above in the Year 1 Foundation Diploma in Health and Social Care.

Start Date: 2 September 2024
