

# Music Performance and Production - Level 3 Diploma

This course is for musicians who want to enter the music industry or those who want to get into a business role within the industry. Our music laboratories have industry-standard equipment, including Apple iMacs, equipped with Logic, Ableton, Midi Keyboards and fully functional recording studios with state-of-the-art mixing desks.

There are opportunities to participate in live performances and you will study topics related to the music industry. There will also be visits, trips and work experience. Many of our teachers are professional musicians, which gives the course a real work focus. During your course, you will be engaging in work-based activities aimed at giving you an insight into working in this industry.
