

# **Music Performance and Production - Level 3 Extended Diploma**

This course has been designed to provide you with the knowledge, skills and understanding necessary to access and progress to degree-level study or employment in the music production and performance sector.

Our music laboratories have industry-standard equipment, including Apple iMacs, equipped with Logic, Ableton, Midi Keyboards and fully functional recording studios with state-of-the-art mixing decks. There are opportunities to participate in live performances and you will study topics related to the music industry.

There will also be visits, trips and work experience. Many of our teachers are professional musicians, which gives the course a real work focus. During your course, you will be engaging in work-based activities aimed at giving you an insight into working in this industry.

Extended Diplomas have two one-year programmes. You need to finish the first year before moving on to the second.
