

Site Carpentry - Level 2 Diploma

This one-year course allows you to learn, develop and practice skills needed to progress into Site Carpentry. You will learn how to use natural materials to install wooden fixtures and fittings in our well-equipped workshops. As well as studying on the course, you will have the opportunity to go out on work experience to understand how to apply your skills and knowledge to the 'world of work'.

WHAT WILL I STUDY?

In this one-year course, you will cover all of the following topics:

- Health, safety and welfare in construction
- Principles of building construction, information and communication
- Carry out first-fix flooring and roofing
- Carry out first fix frames, partitions and stairs
- Carry out second fixing operations
- Carry out carpentry maintenance
- Set up and operate a circular saw

WHAT WILL I NEED?

You will need:

- To have 4 GCSE's at Grade 3 or above, including English and Maths or a relevant Level 1 Qualification in the construction industry

HOW WILL I BE ASSESSED?

You will be assessed through multiple online exams through City & Guilds, practical assessments and short written tests at the end of each topic.
